

Incident Review Committee Volunteers:

The ISS Inc. Incident Review Committee (IRC) is looking for a Program Participant and his or her Support Staff to call now and volunteer as committee members. Support Staff will already be on work hours, they will be paid as they regularly would through the budget.

Being an ISS IRC Member means, meet at the ISS Hauppauge office once a month on a Tuesday. IRC starts promptly at 1:00 p.m. (usually lasts 1-2 hours). You will sign an IRC Confidentiality agreement prior to being on the committee. You will be involved in sensitive conversations. Your responsibility is to provide feedback and recommendations to the ISS investigators and chairperson.

Help ISS protect program participants from abuse, neglect and other conduct.

Be an advocate!
